22W	2600lm		
27W	3150lm		
34W	3850lm		
40W	4410lm		

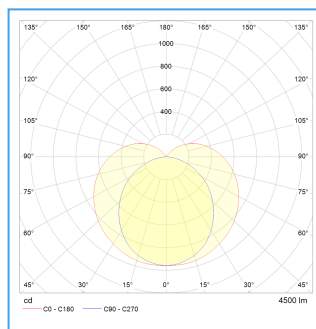

KEY FEATURES

Perfect for new installations and like-for-like replacements, this batten allows the client to choose the light level that they require during the installation process. This exciting development means that the Solray Select is equivalent to both Single and Twin T5 Fluorescent Tubes with lumen range of 2600-4410 lumens. The flicker free operation, BESA mounting and M20 cable entry allow the unit to easily replace older fluorescent models.

COMMERCIAL APPLICATIONS

Offices, schools, corridors, medical centres
